SUBJECT: Official Statement

TO WHOM IT MAY CONCERN

The Sovereign Order of Saint John of Jerusalem, Knight of Malta, Federation of the Autonomous Priories (KMFAP) is proud of the fact that the following high officials of our Order: Sir Joseph Novak and Lady Kitty Suiyan Chen, as well as our candidate to knighthood, Mr. Phillip Steven Cabana, deal with such projects that can alter the life of mankind, can make it better, and the living conditions of poor people can also be greatly improved.

The earlier introduction of "Greenpower" technology of GDIH Green Energy Fund in Mexico and in other states of the world serves this noble purpose.

We look forward to the realization of these world-ordering plans as soon as possible and they are largely supported by our Knight Order and State.
