

The image shows the interior of a luxury yacht, featuring a dining area with several tables set for a meal. The tables are surrounded by white leather seating. The yacht has a patterned carpet, a television mounted on the wall, and large windows. The overall atmosphere is elegant and comfortable.

PARADISO INC.

About Paradiso Inc.

A concept of a vision beyond this world. A Shangri-La of luxury living and experiences. We bring to you again our S.I.L.K club DNA.

"Beyond your imagination"

The Paradiso Team

SUZY YEO

A result-focused, quality driven professional who has extensive experience in international sales, business development and fund raising, Suzy has advanced presentation and relationship development abilities and is dedicated to organizational goals with a focus on consistently achieving business objectives.

Over nearly 3 decades, her international career has led to building a significant business network of ultra high net worth individuals, families and foundations. This has enabled her to link attractive investment opportunities to investors to achieve out-sized returns. She is actively involved in humanitarian initiatives globally and loves linking the best of finance to digital technologies to solutions for her clients.

PHILIP CABANA

GDIH was formed in conjunction with Chinese partners to develop major projects in the Middle East, with trading of non-ferrous metals and petroleum projects. Together with Tanal Golbal Holdings, GDIH has brought major Chinese companies to the Middle East for real estate and infrastructure development along with oil & gas businesses. GDIH has expanded to other parts of the Middle East, such as Bahrain, Kuwait, Israel as well as Africa, where the company has developed strategic relationships with a number of governmental agencies to support infrastructure and project development in :

- Mining
- Finance
- Consortium underwriting Bank Guarantees
- Insurance
- Reciprocal trade with Russia and China for both Commodities and Ferrous Metals
- Export/Import with Energy Power Plants and Wind Powered Turbines

JULIAN PEH

Julian is a lawyer, entrepreneur and investor of over 20 years experience.

He is most known for being one of Asia's leading entrepreneur in luxury tech, having founded and built the largest stable of HNWI-facing websites and apps.

With his companies pioneering multiple market-first technical innovations in geo-location, data segmentation and ad-targeting, he was also CEO of a data platform company exclusively in partnership with Visa China for their premium credit card reward programs.

Benefits for the user

AIR TRAVEL - BUSINESS / LEISURE

In business aviation, options are the best luxury. With **Paradiso Inc.**, you can find the widest array of private charter. Take the stress out of your travel to focus on what really matters.

Luxury and Comfort: flying should be a pleasure and we'll make your air travel experience as luxurious and comfortable as possible

Discretion and security: We guarantee your privacy, and we will work closely with your security provider on all aspects of your air travel

Create your schedule: Connect with commercial flights or fly to your bespoke timetable - whatever your requirements, we'll create the private air travel experience that suits you

Access to more airports: Reach a remote location or simply arrive closer to your final destination

Private terminal access: Avoid queues and unnecessary delays; passengers are able to board the aircraft minutes before take-off, avoiding the hustle and bustle of busy airports

Global coverage: No matter where you want to fly to or from, our international network of offices provides you with local knowledge on a global scale

Cost efficiency: Our buying power and reputation allows us to find you the best private air charter prices, ensuring you always receive the most cost effective solution

Choice of aircraft: With access to over 20,000 aircrafts and over 50 different aircraft types, we will always source the right aircraft for your requirements

Personal account manager: Your dedicated charter expert is available 24/7 to assist you with any requirements you may have, from arranging in-flight cuisine to making last minute changes to your charter

Benefits for the user

AIR TRAVEL - MEDICAL

A medical flight is the safest and quickest travel option for patients who are too sick or weak to endure the rigours of commercial flights

- **Paradiso Inc.** has access to a large range of medical aircrafts suitable for medical evacuations and transportation and are capable of carrying patients and relatives alongside specialist medical personnel.
- These jets, turboprops and helicopters are purposely equipped to transport the sick and injured.
- Light, mid-size and heavy jets fitted with full ICU (intensive care unit) capacity.
- Adapted aircraft, suitable for minor injury patients who are required to lie flat or fly at a designated air pressure level.
- Aircrafts with cargo doors or modified ramps to load stretchers.
- Paradiso Inc. works closely with major hospitals around the world to expedite the transfer of patients from one facility to our private charters and vice versa.

Benefits for the user

AIR TRAVEL - EMERGENCY

AID

Paradiso Inc. is committed to helping those in need, ensuring that help gets to those in need - **FAST**

No matter the time, day or night, Paradiso Inc. can provide time sensitive and secure air transportation in the aftermath of natural disasters, political unrest, hostile situations and corporate emergencies. With extensive experience in arranging emergency response charters for thousands of people, we are a truly global resource offering swift reactions and working solutions for:

- Specialist personnel movements
- Evacuations and repatriations
- On-going relief logistics
- Search & Rescue teams
- Medical transportation

Cargo Plane for Emergency Aid

We also have cargo planes to aid in humanitarian relief projects, transporting food, medical supplies and other relief aids.
